Letter To Alumni *Introducing the Brothers Of Beta Delta Chapter*

Dear Alumni Brothers,
Your cooperation in the past has been a big factor in enabling ATO to maintain its top position on the University campus. Now, as a new rush season draws near, you have a great opportunity to help the chapter, in the form of rush recommendations. If you know of any outstanding young men in your family, community, or elsewhere, whom you consider qualified for pledgeship in our chapter, please fill out the attached form and return it to me. In this way, you can do a great service for ATO, and with your help we can produce another outstanding pledge class.
Fraternally,
Harold Albritton
Rush Chairman

Beta Delta Initiates
(Continued from Page 1)
was followed by the highlight of the evening—the address by the Worthy Grand Chief, W.G.C. His address was in the nature of an over-all evaluation of A.T.O. for the past day, and our promises for the future. The address was very enlightening and an inspiration to all. In conclusion, sufficient credit was given to the experience for a chapter to have of its own initiates to refer to the Worthy Grand Chief to make the initiation address.
